Dear Mrs. Near:

RE: STATUS ON STATEMENT OF WATER DIVERSION AND USE NO. 2059 IN  
MENDOCINO COUNTY

This is in response to your May 1 letter. Statement No. 2059 was originally  
file by Agostino A. Amoroso for water diverted and used from Feliz Creek.

The filing of a statement of Water Diversion and Use does not in its self  
constitute a water right. We are enclosing a pamphlet which explains the  
various water rights in California.

Supplemental statements are required every three years. The next supplemental  
statement is due after the end of 1987. A form will be sent to you near the  
end of the year. Our records show that you are in good standing.

If you have any questions, please call the above number.

Sincerely,

Koso Nodohara

Dear Sirs,

Would you kind enough to let me know the status of my place in regard to water use. I believe there was a cls im on file, February 1982, Reference number 2059.

The place is described as Parcel No. 047 080 04 and Parcel No. 047 080 03. two ten acre pieces on either side of Feliz Creek Road, 3½ miles west of Hopland. For many years, the owners irrigated with a pump, using a pipe into Feliz Creek.

It has been said by new-coming neighbors that our land reaches only to the top of the bank and not down to the water. I realize that you do not decide property lines. I merely want to affirm the water right, should thye property lines be such as we have claimed in the past when we received water.

Thank you,

  
Ann Near
